About: SureshDesiGhee.com is one of India's exclusive online store for Pure Desi Cow Ghee. We prepare Ghee in our own farms, with Traditional Bilona Churn method. We use only 75% of cow milk and rest 25% is left for calf. Desi Ghee prepared by churning the curd of milk, the whole curds is churned with a wooden churner in bilona method and then heating the cream obtained from it. The process of creating traditional clarified butter is c...
